“ It brought sadness to me when I read of Millie's passing. I knew her from bowling before she and Dale moved to New Mexico. To the family I am so sorry for your loss.

“ Dear Jan - How wonderful that you two "girls" were there with her for her first eternal steps just as she was there as you both took your first breaths and steps on earth. The separation is only for a season - now she is polishing off the halo and adjusting wings that are not quite the right size! My heartfelt prayers are with you as you adjust to life without presence in ABQ of human Mom - but she is only a memory away, watching and guarding you till the next meeting. My love to all your family at this special time in life - a new child and a new angel - God has a sense of humor we understand as we truly live the Life God gave us each new day. Dr. Mary McVicar

“ *When we lose a beloved mother, in death, it can be distressing because we will miss her very much because of her special place in the family, but be encouraged though by Psalm 55:22 where God tells us to throw our burdens on him and he will sustain us. He will do so for your family during this most difficult time.*
