“ I was saddened to hear about Mitzie's passing. I knew her when we were kids. My dad

Frank C. Garcia, owned a public swimming pool and I had the honor of knowing her and so many other kids that went swimming there. She went swimming almost every day, she and her family,,,also Rambert and his family. . Loved her and her beautiful smile. Her mom was also my very good friend. Sorry I had not seen her for many a year. I know she will be greatly missed.

My deepest and heartfelt condolence to Rambert and family. May the good Lord's love

bring peace and comfort at this trying time. God Bless !

“ *Rambert & Family,*

My heart is squeezed between the jaws of a vice as I read of Mitzi's passing. Yet, her heart's voice is lovely everywhere, in the eternal garden, in Belen, in the valley air and in our own hearts. She was my friend so I will always let in her voice as a whisper come. May she often visit to mend your broken hearts. Her soul was well-knit and her earthly battles won before she mounted to rest in eternity. She was truly a good human being.

My sincere condolences. May time bring some comfort.
