“ *To Bill & Roy: May you be surrounded by the comfort of God in this time of the loss of your mom. Just wish there was something we could do to ease your loss. But she is in a better place now, healthy and active once again. She may soon be fishing in the heavenly lakes and streams and catching the biggest one yet! She was a very special person and she loved you so very much; she was loved by many and will be missed.*

“ I am so very sorry for the recent loss of your loved one, Mlle McCrary. I have a brief encouraging message I would be pleased to share with you from God's Word, the Bible. The Bible can be a great source of both comfort and hope during this most difficult time in your lives. For an example, at Revelation 21:3-5 it assures us that the day is soon coming when our most loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and that even death will be no more. I hope after reading this it will be of some comfort to each of you. If later you would like to learn more from the Bible about why we die or why does a loving God allow so much suffering and injustice, please feel free to go to the website: www.jw.org
