“ *Knowing Nancy and being her friend was a privilege I will treasure forever. I will always remember all the fun we had playing golf and analyzing our statistics on our score card. Not only were we friends, but our husbands also became good friends. Every year we celebrated our birthdays together and then went shopping. These are the times I will miss the most. I will also miss her creative side - whether it was making jewelry or analyzing the latest technology on phones, laptops, etc. I will miss her elaborate e-mails. She made a trip to Costco an adventure.*

She and Ken were a special couple. Her love for him showed in everything she did.

In closing, I will use Nancy's favorite e-mail sign off, Later, Dudette

“My fondest memories are of the eight Marchel's visiting the Muck Family in Cliffside Park NJ and the big family reunions. Nancy's constant, beautiful smile and quiet, confident demeanor is what I see every time I think of her.

"They who we love and lose are no longer where they were before. They are now everywhere we are" -St John Chrysostom

God bless Ken, Cindy, Bill and all who hold Nancy dear to them.

“I will miss my friend & neighbor. Nancy always met me with a big smile & a huge hug. She took joy in the little things in life. We shared a love for New Mexico wildlife, our magnificent western skies, and the ever changing Sandia mountains. She was an awesome lunch date, witty and smart. I admired her relationship with her husband, Ken. She was his ever dedicated co-pilot, constant companion and best friend. I will miss you, Nancy. My heart and prayers go out to Ken, Cynthia, Bill and family. Hold tight to her memories and may they give you comfort through this difficult time.

“ I am so sorry to hear of Nancy's demise. The first thoughts are grammar school and high school. She was always quiet and sweet. At the high school reunion she looked beautiful and will be remembered and sorely missed. My sincerest condolences to the family. Sue Dottino

“ I'll miss you very much. Can't believe we won't get in another round at Santa Ana or Twin, nor have a long laughing outdoor dinner/drinks.

“ Throughout our childhood, my sister and I spent almost every weekend and holiday together with Nancy & Cynthia. She was more of an older sister to me than a cousin. I remember her as always kind and sweet and also, very smart. Although distance kept us apart later on, she always kept in touch with her holiday letters. Nancy was a very important part of my life and could never be forgotten. My deepest sympathy to her family.

“ *I will remember Nancy's pretty smile during our shared golf lesson at FHCC when with a few tips from the pro she was hitting the balls straight and long. It was fun; she was happy.*

“ Wonderful golfer, friend, fun to be around, just a great lady. She will be missed. Our lives have been enriched by knowing her. I hope that the memories of her will ease the family's grief. Thoughts and prayers are with the family.
