I joined Norbert in the 515th HHD Army National Guard in Santa Fe, NM from 1966 thru 1972. Norbert always had a smile and a good word to say. He was helpful and instructive with an easy going manner that made it a joy to work with him. Norbert and Sgt Gutierrez took me out to the bazooka firing range at White Sands Missile Range during our two week summer duty. They were two very funny guys. They had me fire a live round after a misfire and after the range officer declared the firing was over. It upset the range office but the round had to be fired for safety. There were other humerous incidents during the six years I was with them but I can't remember them at this moment. I'll always have fond memories of Norbert Montoya.

“ I remember Mr. Montoya as being one of the kindest people I've ever met. He was cheerful and always had a smile on his face. He was always a gracious host when you visited their home. I remember how much he loved my sister, Carmen, who is married to Allen and how he liked to tease her and make her laugh. Thank God for the many years Norbert had. May God send His Holy Spirit to give the Montoya family peace, strength, comfort and understanding in their hearts and in their lives.
