“ I feel so very privileged to have had the opportunity to have Otto Mayer as a friend. His passing is a great loss to all of us. He was such a brilliant man and a gentleman so wonderfully kind and caring for others. And he had another marvelous characteristic, that of a wonderful father to a talented son and daughter. And that is why I was privileged to know Otto, since he was the father of my son-in-law Kurt, who appears to share many of the same ennobling traits as his father. Knowing Otto has been a true blessing. LaDonna Kienitz
