“ I will so miss my sweet Aunt Pat. Even though I wasn't able to attend the services, I was there with the family in prayer aid in spirit. Pat was one of my favorite family members and we share so many happy experiences together when we were both young and heathy. I am anxious for the day that she, Steve and our other loved ones will celebrate our lives in heaven. My love to Kenneth, Kay and family and Kenny and family. I would so love to see y'all once more.

Sherry Smith - January 15, 2013 at 12:00 AM

AB

“ I would like to express my deepest condolences to your family. I hope you find comfort from God's word the bible during this time of grief. For he is near to those broken at heart. Ps 34:17,18 Also, note Jesus' words of comfort spoken to Martha, who had just lost her brother, at John 11:23-25, "Jesus said to her: "Your brother will rise. Martha said to him: "I know he will rise in the resurrection on the last day."Jesus said to her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life."

“ Ken and Family, the short time that we knew Pat was a true blessing to us. She had a beautiful soul and you knew that just by talking with her. She will always be fondly remembered. Our deepest condolences. Gods Peace.

“ We feel privileged to have know "Mama Pat". She was a fun loving, genuinely sweet woman, who made both Kevin and I feel very special,. So special, in fact, that I often felt like a daughter to her, and I will miss kidding her about being her favorite daughter. We have many fond memories of her which will live in our hearts forever. May God bless her family.

“ We feel so privileged to have known Pat for so many years. We have so many good memories of Pat at the lake and at different functions at Kay's house, and St. Patrick's Day at her and Kenneth's house last year. We are going to miss her face and sweet spirit. May God bless you Pat and enjoy walking on the streets of gold in heaven! We don't say good bye, we say see you later! Love, Dale and Debra
