“ *Paul,*

I will always miss you. So glad we found each other after 65+ years. Wish we could have grown up together, but a short time is better than never finding out that you were my half-brother. Thanks for all you did for me. You will always be in my thoughts and prayers. I am glad you no longer suffer your earthly ills.

*Love always, your half-sister, Kathleen J. (Moore) Schmidt

Sorry to hear about Paul's passing. Deepest sympathies from Ann and me. We worked together at Schafer for a number of years on numerous defense programs. I'm sure he will be missed.

Love all of you and wish that I could be there with you as you remember and celebrate Paul's life. I will remember how he always welcomed me when I visited and how he would make sure that I saw the sites in your beautiful state.

Paul Stanley and I were born a few months apart and grew up together in London, Ohio. I remember those times fondly and Laura and I send our deepest sympathy and best wishes to Julie and the family.
