“ *What a fun person. Back in the 70's we had fun. Ping pong at his place. I always felt welcomed by he and his family. The great Disneyland road trip was great. And the day he drove his old blue green car around my driver training mobile was a crack up. You will be missed Paul. I never forgot you and never will. Condolences to all friends and family.*

“ Paul was "Finest Kind", I looked forward to seeing him and always enjoyed a conversation with him on the job sites. Good people like Paul are hard to come by and are always missed when gone. Our thoughts are with everyone Paul leaves behind and we hope memories of him will help to fill the void he leaves.

“ My heart is so sad over the loss of my dear Friend Paul, I don't think I have cried this many tears in a very long time. I will always remember his kind heart and honesty. He was an awesome person and friend. He used to make me laugh everytime he would call me regarding questions about jobs he was doing for DPC. He would say "This is Mr. Roper" and I would say "Hi Paul". I just could not call him Mr. Roper. He was a true friend not just a business acquaintance. And when I would call him I would say "Hi Paul this is Darlene from DPC" and he would say "Hi Darlene from DPC" it always made me laugh.... I'm going to miss that. He will never be forgotten. And I want Natalie and her son to know that I am honored that they asked me to help them when they bring Paul home to California to the Ocean. My thoughts and prayers go out to all of Paul's family and friends. Darlene

“ Natalie ~ We are so sorry in the loss of Roper. I cherish the flannel "barn coat" you gave me to wear that was his. We have good memories of a good man and will hold onto that as we move forward. Rest in peace Roper... you will be greatly missed!

“Pablo was a selfless person that was always willing to help us out. There were times when he was in the hot attic or outside in the freezing cold just to make sure we had what we needed to get our house back to normal. He took the time to teach us how to make repairs ourselves and eventually we developed the confidence to tackle the repairs ourselves. Pablo was a guy that made you feel good with his mischievous grin. Too soon to go, but here long enough that he will always be in our hearts. Our deepest condolences to Pablo's family.
