“Many, many years have passed since I spent time in the Monroe household, but my memories of Mrs. Monroe's warm hospitality will always be with me. "Mom" always made me feel like part of the family when I was there. It was in her home that I first played a piano and had my ears pierced! It was through her and her girls that I experienced the Catholic faith by attending mass at St. Bernadette's, coming to embrace the faith myself. What a glorious gift! I know Mrs. Monroe rests in the loving arms of our Lord in the company of all the angels and saints. May God bless and comfort her family now and always. My prayers are with you all. “Every night at bedtime, Tammy always repeats what you said to her as a little girl "...Night-night don't let the bed bugs bite..." to which Tammy also adds "...sweet dreams pork-n-beans...". Grandma, you are forever with us every day and every night. We hope to live up to the moral beacon you provided us. Your carefree spirit and enormous love will be deeply missed. We love you Grandma. - Brian

“ My condolences to all of you, Perscilla has been a memory I will never forget. We worked together for so many years, I loved her very much. My Mom and Dad (David and Margaret Martinez) loved Perscilla and Charlie, they had so many high school memories. My Mom passed a year ago and my father David sends his sorrows. God Bless you all, may she rest in peace with our Lord and smile upon us.

“ Auntie Pana was my favorite aunt and she was also like a mother to me. She was one of my best friends. She taught me how to make delicious red chili. I enjoyed going to her house and drinking coffe and talking for hours. More recently I enjoyed our Friday afternoon visits. She was a wonderful woman and touched the hearts of everyone who came into her life. I love her and miss her so much. Sweet Dreams, Pork 'n' Beans!
