“ Dear Terri, Stanley and Uly. I am so sorry for your loss. He was a great uncle and was always so kind when we visited. I know the loss of both your parents is hard, but you have each other and all of your extended family. Our life here on earth is but a blink of an eye. He has just turned the page of his life and moved over with your mom. There, they are waiting for us all to join them. I will pray that God will bring you all the peace and comfort that only He can give. There may be pain and weeping for a season, but joy comes in the morning. Isaiah 61:3. The Lord is near to those who have a broken heart.

Love to you all, your cousin Mona and family

“ To my Uncle Pete's Family:

It is hard to understand why people are taken from us, But find comfort in knowing you were all a very special part of your Dad's well lived life. 92 years young, wow uncle Pete was very special to Leonard and I . We loved him and my Auntie very much. I know the feeling when my daddy die i felt like if the world shut down on us. We miss him so much, but I know that he is not suffering anymore. I know that he is with our heavenly father pain free. My daddy suffer for so many years, he constandy told us to take care of mama and each other. So I want to pass that wisdom over to you guys tell each other that you love one other, and always be there for each other. With my Daddy passing it brought healing and peace into our family, we are so much closer and happier. I will always treasure my memories of your Dad how he spoiled me as I was growing up. Your Dad was an awesome tio,a great friend, and brother in-law to my Mama and Daddy. He will be missed. ALWAYS know you're NEVER alone and if you ever want to talk or pray I am just a phone call away. "Don't forget us we are family." Love you All! May our heavenly father hold you in his loving arms at this differcult time in your lives. God"s Blessing....your cousins Leonard & Becky Bernal. We will Love you uncle Pete forever and ever.
