“ *Uncle Petie was in my life from the time I was born...He was part of our large, loving Italian family. He and I had a special connection because he loved coming to Las Vegas..(he liked to show me how he could win on the quarter slots). He also loved travelling to Europe; going to shows at the Dorothy Chandler Pavilion and 'attempting' to win the Publisher's Clearing House Drawings :)He loved pasta, minestrone soup...and of course, his favorite...Salami.He was named after his Pop....Pietro Pablo and he always signed his cards -- Peter Paul.He didn't demand a lot out of life. He told me he just had to do the best he could.God Bless You, Uncle Petie.....Thank you for sharing your life and loves with us.Rest in Peace.... Tee-Tee*
