“ *Frank, Larry, Ted, Ann and Charlie,*

Some friends of mine in Albuquerque just e-mailed me to say they had seen your mom's obituary in the paper. I am just in shock and so sad. Hopefully you remember me--Judy Gruenberg (and my husband Keith who is deceased) who lived in the house next door in the early 70's (it was green at that time). I just visited with Polly and we went to lunch when I was in Albuquerque a year ago last August. She was having some problems with her knee but we had talked by phone several times since and that had gotten better. I didn't get a card from her at Christmas but just figured she was traveling or something. She has been on my mind so much lately, and every day I would say I needed to call her, but then I would think she would be in mass at that time and I put it off until the afternoon. Then something else would come up. She was a remarkable lady and so strong in her faith. I'm just so sorry for your loss, but happy that she's with your dad now. I hope she wasn't sick for a long time or suffering. If one of you would care to e-mail me at judygruenberg@q.com or call me 801 544-8698 to let me know something, I would appreciate it. May God comfort you and give you strength through this time, and I hope all of you will keep close to each other as a family in the future. Knowing you, I'm sure you will.

“ *Hi Frank, Larry, Ted, Charlie, and Ann. I thought of all of your names when I was visiting with your mother's neighbor Claudio Salazar. Anthony Herrera came by and told me the sad news about your mother's untimely departure to be with our Dear Lord. This message is for all of your family members. I always thought of your mother as one beautiful soul who cared for everyone around her. Thinking of all of you and prayers from my heart. I will hopefully be able to attend the mass and the funeral *
Sincerely, Mike Casias

“ Paul and I are so sorry for your loss, Polly was a great example of a Godly Woman. She was the grandmother she didn't have to be and for that I am truly grateful. I know she is happy to be united with Frank and suffering no more. Thank you for the great memories.
Donna Herring and Paul Shepard
