

## Priscilla "Cilla" Lopez

June 30, 1929 - March 20, 2015

Priscilla Lopez (Cilla), age 85, passed away on Friday March 20th. She was born on June 30, 1929 in Albuquerque to Guadalupe and Nicolasita Lopez. After her mom died, she was raised by her grandparents Jesus and Telesflora Benavidez. Cilla was a hairdresser in Albuquerque and once owned Charms Beauty Salon on 5th and Central. Cilla faced some difficult trials in her life and yet was by God's grace able to be a successful mother and business woman. She is survived by her only child, Maxine Sloan and her husband, Shaan, of Albuquerque; and her grandchildren Daniel and Samantha Sloan (and two great grandchildren Meka and Penelopie), Jessica Sloan, and Anna and Ben Gonzalez. She was loved and cared for by her brother and sisters, Guadalupe Lopez, Esmeralda Lopez, and Rosalie Muniz, and all their spouses and children throughout her life. In her later days, she was cared for by several loving caretakers such as Maria Guenther, and Mitzi Cunningham, along with several family members. She was blessed to live in her caretaker's home, Darlene Medrano, where she had a safe and loving environment for her in these last years, where she was always joyful and pleasant to be with. She will be missed by those who love her. The Sloan family is so grateful for all the love and concern shown by all, and give glory to God for providing for her all these years. May God have mercy on Her soul through Jesus Christ her Savior and Lord. Services will be held on Wednesday March 25, 2015 at 10:00 a.m. at FRENCH - Lomas. Interment to follow at Sandia Memorial Gardens 9500 San Pedro Drive NE. A reception will follow the interment at

“ Shaan and Maxi.....  
*I'm leaving for Florida, but wanted to drop a line before I left. I was truly saddened to hear that you lost your mother, but rejoicing that she is celebrating a new life. I know you will miss her tremendously, but we celebrate her life as we have hope of a reunion someday.*

*I know she will not only be missed by your family, but all of her friends who had the good fortune to know her. As Darlene's family would come and go, it was obvious that they were quite fond of Priscilla as they greeted her. What a beautiful smile she had for all of us.*

*I know you will be sustained by your faith and by your family and friends who gather round to comfort you.....Faye Ingle*

“ *My sister Priscilla, was blessed in her life on this earth to have Maxine Sloan as her daughter. Maxine tended to my sisters needs until the very end. Maxine is also blessed that she has such a devoted husband, Shaan Sloan. Shaan supported Maxine, to provide her mother the best care through out her life. Thank you Maxine and Shaan.*

*My Auntie was a Hero in life, {aside from my own Mother} her endurance of being unstoppable through various obstacle's and stumbling blocks, she learned to make into stepping stones, (including having cancer twice about 20 years ago) spoke volumes! I too, wanted to be a hair stylist as she was, but never pursued my desire as she did. I admire her many strengths and qualities that made her, not only a successful hair stylist but she excelled as a telemarketer for many years! If only I had half the endurance she had! I will miss my Auntie Priscilla! It blessed me 7 years ago when I got married that I told her that I wanted her to be at my wedding, took in her in the car and showed her where the church was and gave her the invitation with the time and date. I was amazed that she made it to my wedding because she was already losing her memory, but still had enough memory to make it to my wedding.*
