“ I am so sad to learn of Ralph's passing. He was a wonderful father, husband, and friend. I met Ralph in 1967 when I was 18 years old and started work at The USAF in Cincinnati. He and Rita took me under their wings and I enjoyed many good times with them over the years. I also took care of Jeff, Jim, and Jill when they were little. Ralph loved his family more than anything. I always believed that they were the happiest married couple I had ever met. We had many good laughs over the years and I enjoyed visiting them and attending their 4th of July block parties. His devotion to Rita over the years has been amazing. Both of them have always been an inspiration to me through out my life. He was especially proud of his children and spoke of them often. Ralph will be greatly missed and in my thoughts always.

“ We are so sad for the loss of Uncle Ralph and wish all of you the best wishes. I feel blessed to have a memory of bonding with Uncle Ralph when I came up by myself many years ago and golfed with him four days in a row. I kind of felt bad, because he had a four day tournament that weekend and told dad he did not do so well by the third day because he was all golfed out. Anyway, it was a special time for me and memories I will never forget. You are all in our prayers.

“ We are so sorry for your loss. Steve tells me how his visits there when he was younger are some of his fondest memories. Uncle Ralph always kept him laughing. One example of how Ralph kept Steve laughing is this Baseball story. When Steve was a kid, the Reds were playing the Red Sox. Ralph & Phil kept saying they were gonna steal the pants off Carlton Fisk. Steve could'nt undertand why they wanted to go and steal his pants. To this day that story gives him a chuckle. He will truly be missed, but never be forgotten. We are thinking & praying for you all. Love, Hope & Steve

“ Dearest Rita, Jill and Jim. Please know you are in our thoughts. When we think of you all, we remember the wonderful times we all had on Paige Place, watching all those children play together, 4th of July, always being at one or the others home. Ralph was always in the center, making plans, organizing and making sure everyone was having a good time. He was loved by many. We love you all!

“ Rita, We are so sorry to hear about Ralph. He was a very special person. I enjoyed working with him many years ago and then seeing you both again when we started attending stroke club meetings. He was so devoted to you and his purpose in life was to make sure you were cared for. I pray and believe that you and your family will be in God's care during this time and that He will send His angels to care for you Rita. WE will be out of town this weekend so I am sorry we will not be able to attend the services but you will be in our hearts and prayers. Hopefully we can get together when we get back. .
