“ *Dear Doris and the Goodman Family,
You are in my thoughts so very often. Am confident the wonderful memories of Dick will continue to bring smiles to your faces and will help dry the tears. I best remember Dick from the nice stories Doris shared, always with a fond smile, and from the occasions he interacted so kindly with members of our team--always low-key but friendly and supportive. We will miss him, as we miss you, Doris. You are blessed with a lovely caring family, extended family members, and many friends who love you dearly. May God continue to hold you in the palm of his hand as you get through these sad and difficult days.
Thinking of you with love.....Glynes (Foster)*

“ To the Goodman Family,
It was with great sadness that we learned of Dick's passing. He was such a dignified and caring gentleman. We will all miss his quiet and gentle nature. His legacy lives on with his wonderful grandchildren. I am so sorry that I was out of the country when you had his memorial. Dusty was able to attend and said it was a very touching service. Doris, you are especially in our thoughts and prayers. We miss you so much on the court, and hope you can drop by sometime and just "shoot" a few baskets.

If you ever feel lonely or in need of a friend, please call me and we will have lunch, coffee, or just a chat.

*Love you,
Ginger*

“ My deepest sympathy to the Goodman Family. I lived across the street from Dick and Doris when I lived in Towne Park—many fond memories. Dick was a good friend and neighbor. I loved his sense of humor. He was always willing to help me and others with yard work and other tasks. Numerous times he loaded my luggage into the car when I went on a trip and watered my plants while I was away. He moved furniture, helped with garage sales, and fixed drippy faucets. One time he agreed to nurse a bird injured by Nacho the cat. He was a good man and he will be missed. JoAnne Sackett
