“ *Izzy,  
  
There are no words at a time like this other than the assurance that through Jesus this isn't the end. You have to know that we love you and we hurt with you. I wish we could be there to give you a hug.

“ *We feel very honored to have known Bob for several years and had many a good time with him both in Albuquerque and to have him visit us over at our home in Savusavu, Fiji. We will never forget seeing him climbing out of the little plane with 6 large sun hats stacked up on his head.....one for each of us!! He will be missed by many, many friends!*
