

Robert O'Connor

August 17, 2014

Robert O'Connor is survived by his wife of 28 years; five children; two stepchildren; eleven grandchildren and four great grandchildren. He served six years in the Air Force during the Korean War before going to work for Grumman. He was assigned to work on the Apollo Program and helped put the first man on the moon. After retiring from Grumman, he developed his own book of business selling insurance and annuities as a financial planner. He loved sports, especially baseball. He played fast pitch for many years here in Albuquerque and later played Senior Softball as a short stop. Robert had a wonderful, personable disposition, and great sense of humor. He was greatly loved and admired by so many and will be deeply missed. He will hold a special place in our hearts forever. “ *To: Mary and Family---With Greatest Sympathy For Your Loss---
"The Lord is my Shepherd; I shall not want, He makes me lie down
in Green pastures. He leads me beside still waters. He restores my
soul. He leads me in paths of righteousness for His name's sake.
Even though I walk through the shadow of death, I will fear no evil.
For you are with me; your rod and your staff, they comfort me"-----

“ *Many memories of Robert, Starting in 1991 during 16 years in Senior softball. Most of the time as teammates. Sometimes as opponents. In Albuquerque and in tournaments in other cities. My Wife, Charlotte attended most of the out of town tournaments. We always liked to see him play and enjoyed his company. Mr. & Mrs. Robert F. Moen*
