“ Dear Char and Family: It was with great sadness that I read of Bob's passing. What a privilege it was to know him. I only met him of course after he became ill, but even through all of that I could see his kind, strong spirit shine through. I know these past months have been so difficult and you will miss Bob deeply. Please know that I was in awe of how well you loved him. I will be praying for your comfort, peace of mind and heart and strength. May memories of happy times be a blessing to you now. My love to you. --Kathy
