“ I have many memories of Roscoe, from being in the same U.S. Army reserve platoon to being a City of Albuquerque employee. He and I always seemed to be on the list that never got weekend passes so we were always left out in the boonies. Whenever I would run into him at the Pino yards he'd always have a big smile and a handshake for me. I'm sure he had the same for everyone. The world is now short one very good man that I am proud to have known.
