Rose was a Rose!!! I am very proud to have been named after her - as we both carry the middle name of Kathryn. My parents blessed me by giving me her middle name. Thank you Aunt Rose for sharing --- love always, Ellen Kathryn

“ Though I only met Rose twice, I love her because of the happiness she brought my grandmother, Mama Jonesy. When Mama Jonesy was in a nursing home, Rose would send her \$5 from time to time and that just made my grandmother so happy. My mother and uncle made sure Mama Jonesy had everything she needed and wanted but I believe it was just being remembered that was so special, plus having gone through the depression, I am not sure the security of having some bit of money on you ever goes away. I did not know this story until after my grandmother passed away. I wish I had let Rose know how much it meant to her.

R.I.P. Rose. You will be remembered.
