“ I just heard of Ruthie's passing yesterday (7/28/13) and my heart is heavy with sadness. I have not been able to stop thinking about her. I met Ruthie in 1974 at the sorority and would occasionally run into her at Annunciation Catholic Church. She was always happy and with her beautiful family. My heartfelt condolences to your family for your loss. Know that she is loved by many and will forever remain in the hearts of those that knew her.

“ Don and Family, My deepest sympathy to all of you. Ruthie was my dental hygienist for 30 years. She was a good friend I saw every 6 months, at which time we would catch up on our families. She always remembered details about my family and could pick up where we left off 6 months prior. I miss her so much. May God keep you strong and watch over you in the difficult days ahead.

“ When first meeting Ruthie I felt like I had known her for years. She just had a way of making you feel like family. I was in awe of her optimistic and courageous attitude. She had such an infectious laugh and was so funny. If she hadn't told me I would never have known she was sick. She never let cancer define her. What a role model she was. I am just sad for myself that we could not have had more time to spend together. I know that we will forever be together in spirit and in heaven for all time. I thank Jesus that I had the opportunity to have known Ruthie. She was just an angel on earth. Until we meet again, Love Dana
