Dear Donna Hi I am very sorry to hear about the death of my cousin Shawn. I was looking on the computer one night and I was looking up the Rendel Family and I came up on the death of Shawn. I didn't know he was even sick. The last time I saw him was at my Uncle Mike's funeral. You and Shawn looked so much in love on the memorial DVD on the computer from the funeral home. You have a lovely family. It looks like you all had a lot of fun as a family. Had Shawn been sick? If there is anything I can do just feel free and give me a call. If I don't answer just leave me a message and I will call you back. 505 818-7015 Donna please tell The Rendel Hi. Just know that Shawn is looking down on you and the family smiling like he always did. He is in God's care and what better place could he be but with God. Take care Donna and the family Sandy June 5, 2014 10:17 PM

“ *Shawn to me is a person of a great life of sharing and understanding towards all he met. Shawn brought something to the table, his experiences, strength and hope! Like his last name, Lucero "the Light" he has given to me again. Now you are on the road again and I know you will rest with true peace and serenity.*

*Sincerely,
Leonardo G.*

“ I met Shawn in high school at Highland. I remember him in his ROTC uniform so sharp looking. He was a good friend to have during those school years. We lost touch after high school but reconnected about 2 years ago via Facebook. I will miss his picking on my football team and me picking back on his team. May you find peace in your new journey and watch over your family and friends. Until we all meet again. Deborah Denton

“ *My family and I have known Shawn for about 14 years now. We have had a very strange relationship with what started out as a friendship with his wife and I who turned into one of my best friends, turned into the last 6 years Shawn and I became pretty close as well. He was always there to show up whenever an issue came about. He was the first to offer support and advice. He loved his kids and his wife more than anything. Anytime something was wrong, the text I got was, "Check on Donna!" and of course I would. I will miss all our joking around as Donna would mad at us. I will miss the family dinners and hanging out. The kids Miss Uncle Shawn tons! We love you and miss you my friend. I hope you have found the peace you were looking for. And don't worry " I will check on Donna today, tomorrow and always! Love ya my friend! Kathy, Boomer, Tiff, Sadie and DJ Jaramillo.*

“ My name is Paul Smith and it was almost scary meeting Shawn some five years ago as he is just like me. We both struggled for peace and serenity and constantly razzed each other about many things. We even both had our pictures in the Journal in the last few years. Shawn would do anything for anyone, and that's what made him special. Anytime I wanted to go to an Isotopes game, Shawn was happy to oblige. I even saw the disastrous returns of Manny Ramirez and Cub pitcher Carlos Zambrano. Last year, Terri and I went to California for a vacation to visit friends in Orange County. Shawn was in California too and we didn't know he was there and he didn't know we were there. But, as Our higher power would have it, we actually bumped into each other on the beach in So. Cal. What are the chances of that?? Shawn, I wish I knew why some of us have to struggle and some get it so naturally. I really didn't expect to lose you and I am crushed you have gone to the Angels to visit my running dog, Blake. You will like him, cause he's just like me. Go figure.. Rest In Peace my friend, may your wife and children seek calmness and serenity and acceptance and I will see you sometime. Thanks for the memories. You will never be forgotten! God Bless
