“ Shirley will always be a sweet memory for me. She was kind and thoughtful. For example, although she and Leon had never met them, Shirley & Leon hosted a dinner party for my twin sister Marsha Hutchison and her husband, Mike, when they visited Hugh and me five years ago. We will be eternally grateful for all the good times, especially playing bridge, with them!

*Many loving thoughts,

“ Shirley shared her life with everyone. She was easy to befriend and embraced others in her friendship circle. We cherish our times with Shirley. Although we cannot continue our physical relationship with Shirley, our memories of her influence on our lives will never fade.

“ I am very sorry about the loss of Shirley, please accept my condolences. Gods word the bible gives a beautiful hope for the future at Revelation 21:3,4 where God promises to bring an end to death here on earth. No more death along with what Acts 24:15 states means a wonderful future for us and our loved ones. I hope that you find some comfort during this time
