“ We sympathize with your great loss. But always remember that God needs the best and so he has taken Stacy away. Stacy was a wonderful and caring friend. She is in a place where she is not in pain or discomfort. May She rest in peace.

“ It is with a heavy heart I am writing. I was saddened to hear of my dear friend Stacy's passing! Stacy touched a lot of lives, including mine, with her humor, spunk, thoughtfulness and caring. She was an excellent Respiratory Therapist always giving extra care to her patients and also making time to be a listening ear, giving advice and helping her friends in their time need. Although she will be dearly missed, she is in a better place, pain free. To the families, Tanya and Hubert, my heartfelt condolences of your loss, our special friend. May the prayers ease your pain, give you comfort and strength to live on with good memories of her. You are all in my prayers!
