

Stanley Voris

October 9, 2014

Stanley Voris of Albuquerque peacefully passed away on October 9, 2014. He was born in Del Norte, Colorado, on February 3, 1931. He was preceded in death by his wife of over fifty years, Jean Voris. He is survived by a sister, Shirley Coats of Florida; a son, Kelly Voris and wife, Becky and a daughter, Kathleen Montoya and husband, Randy. Stan also is survived by numerous grandchildren and great-grandchildren. Stan was a residential framing contractor and later a custom home builder for over thirty years in central New Mexico. He was humble and confident, so a handshake and a man's word were all he needed to get started. His employees and sub-contractors loved working for him and respected him. During off hours, racing his power boat around Elephant Butte and his Dallas Cowboys took up some fun time. Stan led a good and productive life and his mark will be around for many years to come. The family would to thank the Woodmark and Hospice of NM for their excellent care during this difficult time. In lieu of flowers, please give to the Natl Diabetes Research Foundation in his name. Memorial services will be Wednesday, October 15, 2014, 11:00 a.m. at FRENCH – Lomas.

“ Kathleen, Kelly and Family, Our deepest condolences to your family during these hard times. Jean and Stan's was the place where we visited, grew up and spent many holidays. It was our second home and one I will never forget. The years at the lake were also a grounding and forming part of my life and I cant thank your mom and dad enough for those years. They both were some of the most influential people in my life and love and miss them both.

“ Kathleen & Kelly and your family,
We are so sad to hear about Stan. Our deepest condolences to you. We know how hard it is to lose your parents. Our family shared so many fun times together. Its wierd to think that generation is all gone. God bless you all and we love you,
