“ *My Sister, My Twin thank you for the memories. I will always Love and miss you. I will never forget your last smile, that is how I will remember you. You are one the strongest woman I will ever know. You beat the disease twice before it took you. Jesus needed a counselor in heaven, so carry on and put in a good word for all of us. Keep an eye on all of us, especially all of the children. Your Brother Charo and The Palacio family.*

PS

“ I am so grateful that we got to spend so much time with my Aunt Sylvia this summer. After she was diagnosed, she had a hard time walking. After some treatments, she attended a baby shower for our daughter. She walked into the house and said "surprise!" I was not only surprised to see her I was surprised that she was standing and walking on her own! During the summer we had many family events including a bridal shower and several birthday parties for my grandchildren. She didn't miss anything. She attended each event with a smile. She attended my nephew's wedding and the picture below shows her dancing with my son at his own wedding. She was happy and enjoying herself. I will love you always and miss you until I get to see you again. Love you, Pamela

“ Sylvia and I worked together at Drug Abuse Program and at Central NM Prison. She was a great friend, great boss and a great lady. I'm glad I have fond memories of her and our time working together. I pray to my LORD that he welcomes her into his loving embrace.

“ Dear family and close friends of Sylvia, I'm so sorry to hear of your loss. At times like this we wonder about the meaning of life, and what hope there is for our loved ones lost in death. I too a have lost someone close to me. The thing that helped the most was this hope I found in this article. <http://www.jw.org/en/publications/magazines/g200809/death-is-it-the-end/> It's is my hope that you read and are comforted the same as it helped me. Sincerely, Taleisha
