“ I have known Terry since our softball days together at Sandia High school. Her father, Dick, was our assistant coach. And mom, Phyliss, was one of our biggest fans. I had the pleasure of meeting up with Terry at the Academy p.o. just before she left for Oklahoma. My thoughts and prayers are with her family. God now has a terrific 3rd base "woman" for his team!

“ Although I do not live in New Mexico anymore, but thank goodness my friend out there informed me of the passing of Terry Currier, I worked with Terry at the Post Office since 1990 and she was an absolutely wonderful, warm human being. At one point she was my supervisor and I wish every supervisor there could be like her. I am truly sad to hear of her passing so soon in life!!!! She will be missed!!!!

“ My condolences to the Currier family,I was blessed to have known Terry while working for the Postal Service. Terry was a consummate professional throughout her career – she was helpful, encouraging, and always with a genuine smile. Many times, I recall, Terry would have several piles of paperwork on her desk, and busily attending to whatever was on her work computer screen, but still – Terry took the time to address whatever “emergency” human resource questions her fellow co-workers had. Through it all, she would come up with a quick quip to make us all chuckle. It is rare to find such an upbeat person – She was one of the good guys.Terry is gone, but will not be forgotten. “ Terry will be missed greatly by members of Village United Methodist Church in Oklahoma City. She became my friend while she was undergoing Chemo-therapy last Spring. It was my honor to have her living in our household as a family member. I miss her smile and her laughter, her wit and all about her that made her special. She was one remarkable lady that I was proud to call my friend. Miss you Terry.
