“ *Tommy, Maurine, Sandra, Wes & Steve were a big part of our church family in 60's & 70's. They were very involved with church & community in the Forgan area. Their kids were very close in age to my brothers & myself. Great memories of the Wolfe family May he rest in peace.*

“ I have so many great memories of Tom. I remember when he showed up at our front door when we lived in Acuff, TX back in 1992 to inquire about Jeanie. And several months later they were married! I remember our mission trip to the Ukraine I took with him and Jeanie. It was amazing! I remember he would always cook us breakfast when we came over to go fishing.

My fondest memory was also one of the scariest moments I have ever had in my life. Tom would always take me fishing on Lake Monticello near Mt. Pleasant. To get to the best fishing, you had to navigate your boat through an area that had hundreds of stumps. When we were about to go through it, he pushed the throttle all the way forward and goes full speed right through the middle of them. I was petrified. I thought we are going to crash. Little did I know there was an extremely narrow path through the stumps that he had gone through hundreds of times. I thought for sure that was the end!

We will miss Tom and will be praying for all the family, especially Jeanie! God bless you, Tom. You were wonderful Christian, husband, father and friend.
