“ *Emma and Family,
Our deepest condolences on the loss of your husband, father, and friend. It is so very hard to lose a loved one. Emma we all love you so so very much and we are here for you if you need us. We will keep you in our thoughts and prayers. May God Bless all of you in this very very hard and trying time. May Tony rest in peace in the loving arms of our Lord Savior. He will be up in heaven with my Grandma Celia and they are both now resting and no longer in pain and suffering. With all of our love to you all.

Via Con Dios Tony you were always such a wonderful man and you always made me laugh when you would come to my hito's parties at Lorrie's house, they loved you so much and will miss you terribly.*

“ *Uncle Tony, you will be greatly missed and you are truly loved by ALL!!! I have fond memories of you growing up in Azusa and having you through the softball sky high for me to catch, which led to me being a very strong and good outfielder in the following years. You were always the teaser, I would not always get it at first, but eventually I would figure it out ;-) I am soooooo glad that I was able to spend time with you in April and will never forget you. I love you very, very much and will see you once again when God is ready for me!! Peggy Sue Barragan*
