

## Tracy R. Sedberry

January 5, 1963 - August 17, 2015

Tracy Renea Sedberry was born January 5, 1963, and went to be with her Lord in Heaven on August 17, 2015 at 4:44 a.m., surrounded by her family after a long hard fought battle with cancer. When it came to her family, Tracy was a devoted mother, loving wife, daughter, granddaughter, sister and friend to many. Tracy is survived by her beloved husband, Robert “Big Bob” Turner Sedberry Sr. (son of Leland and Carolyn Sedberry); fiercely loved sons, Robert “Turner” Sedberry Jr. and Parker Loren Sedberry; mother, Diane Goggans; father, Robert “TP Bob” Maurice Goggans and wife, Virginia “Ginny”; grandmother, Helen Mae “MaMaw” Parks; only sister, Leslie Diane Goggans; aunt, Nancy Sneed; cousins, Jeffery Sneed, wife, Patricia and family, Sean Sneed wife, Jeanne and family; uncle, William “Dennis” Sneed Army Airborne Medic; cousins, Kimberly Nesler and husband, James and family, Amanda Sneed; aunt, Rebecca “Becki” Jane Parks and family; aunt, Sharon Hurst and family, aunt, Chequita Randant and family, uncle, Duane Goggans and wife, Judy and family, and aunt, Rhonda Hamilton and family. Tracy is also survived by mother-in-law, Carolyn Sedberry; brother-in-law, Leland Stanford Sedberry III and wife, Monette; niece, Chanel; nephew, Leland “Stan” Stanford IV, and niece, Chandler; brother-in-law, John Bevrige Sedberry Sr. and wife, Aubrey; and nephew, John “Ridge” Bevrige Sedberry Jr.; and countless friends.

Tracy is preceded in death by her grandfather, Burford “PaPaw” Loren Parks, Vet. WWII; uncle, Robert “Bob” Sneed Lt. Col.; grandfather and grandmother,

Burel and Theda Goggans; and father-in-law, Leland Stanford Sedberry Jr. She graduated from Sandia High School in 1981. She was always the life of the party and friendly to everyone. Her Dad, TP Bob said her performing started as a child. Landslide was her favorite song which she sang at father's wedding. With or without a microphone she was going to sing and dance, if it was your birthday get ready for a Marilyn Monroe rendition of happy birthday. Tracy loved to travel with family and friends and especially if it involved a beach, ski slope, or a concert. Tracy absolutely loved Elephant Butte Lake where she met her beloved husband Bob. They continued to have fun at the lake boating and jet skiing with family and friends throughout their 25 year marriage. Tracy and her sister Leslie were the first girls to master the standup Jet Ski! The most fabulous trip of Bob and Tracy's life was a Silver Sea Cruise from Rome throughout the Mediterranean; of course she was invited to sing on stage by the main entertainer. Tracy was an extremely successful Sr. Escrow Officer for over 30 years, she worked hard but was a free spirit with a voracious appetite for life and living it to the fullest. She was always impeccably dressed with her beloved hearts and rings.

Tracy and Bob were very involved in the community and fund raising over the years with the Active 20-30 Club, All Faith's Receiving Home, and most recently the Women's Council of Realtors.

Her relationship with the Lord was very strong throughout her life and illness. She and the family enjoyed going to church regularly. She was very happy Turner and Parker became strong Christians.

“ Having moved to Albuquerque by myself in the early '90s, and knowing no one, I was fortunate to become acquainted with Tracy and her crowd of friends (and it was, indeed, a crowd, for Tracy attracted so many with her bright spirit) early on, thus starting a chain of friendships and acquaintances for me that helped make Albuquerque become my "home". As others have stated, Tracy was always the life of the party, but I also remember how good she was one-on-one. So many thought of Tracy as their "best friend", which is about the highest compliment to a person's life I can think of. I haven't seen Tracy in several years, but I'm truly saddened by her passing, and I will always remember her so fondly and with the greatest respect for who she was and how she lived her life. Bob, Turner, Parker, and all her family -- my deepest condolences.

“ *Tracy and my big sis, Debbie, have been best friends since as far as I can remember, as are her mom and mine, so there is a lifetime of fun and crazy memories that I will always cherish and never forget. She was truly one of a kind, her smile and laughter always lit up any room she entered. I imagine Tracy dancing, smiling and laughing with Christ now.*

*Many prayers for you, Bob, Turner and Parker, you will always be loved by our family. Diane and Leslie much love to you both.*

*May the Lord, Jesus Christ wrap you all in His loving arms and give you peace.*

*Much Love, Deaun (McNatt) Lewis and family.*

“ *I knew Tracy from working at the same company many years ago. She was an absolute delight each and every day. She had a most beautiful smile and this radiated both inside and outside from her. Tracy also have the best laugh which meant she wasn't too far away. She will be missed each and every day. I had the opportunity to speak to her over the phone about a year ago. The phone call was as if we had just talked not that long ago, but the years had been long ago. My deepest sympathies go out to her husband and sons and all her family. She will forever be in my prayers and I will cherish the fond memories of her deep in my heart. Rest in peace, sweet Tracy. Geri Aragon, Los Lunas, NM.*

“ I've been closer to Tracy the past decade. I never really hung out with her my younger years. Of course, Beverly & her were very close. I shared Tracy's birthday a few times with her, and her closest friends. She came to my house with Bob after our 30th reunion, had some delicious lobster rolls at a swimming party - where we had a very good conversation, just two summers ago. I bumped into her at the movies at Christmas time & she looked amazing! I didn't want to bring up her illness, because I'm sure she didn't want to talk about it. She looked beautiful. We talked for a good 10 minutes, and I introduced her to my daughter Gabby, her fiance Gabe, there family & she didn't want me to leave. I didn't want to leave too, but her, Bob & the kids were there to see a movie. I know she loved the Lord and he has certainly blessed her with beauty, kindness, laughter, friendship, children & most importantly LOVE. I will miss her beautiful soul, here on earth, I will continue to pray for her and her family, and I look forward in seeing her in Heaven. She is an ANGEL. Barbara & Steve Otero
