He is survived by brothers, Marino, Alcides, Ruben Dario, and Virgilio Estrada; sisters, Gabriela Hurtado and Luz Elena Estrada; and sister-in-law, Maria Eugenia Estrada Grueso, all of Colombia, South America. He also leaves behind a large extended family in Colombia, and many dear friends throughout the world who are sharing an immense loss with his passing. Dr. Estrada was preceded in death by his beloved wife Carol Griffin Estrada, his parents Dr. Roberto Estrada and Clementina Estrada Angel, his step-mother Gabriela, his brothers Roberto, Fr. Miguel, and Cesar Estrada, and his son-in-law John Druckrey. Tulio was born on September 16, 1927 in Salamina, Colombia, South America, and was an avid scholar throughout his life. He was awarded the Most Distinguished Graduate of all high school students in Bogota at his graduation from Colegio De La Salle. He went on to complete his Medical Degree in Bogota from the National University of Colombia. He

finished his training with a Psychiatry Residency at Washington University in St. Louis, MO. Dr. Estrada's proudest accomplishments include his efforts as a founding member of the Colombia Psychiatric Society, Faculty Member of the University of Missouri Psychiatry Department, and Director of the Psychiatry Residency Training Program at the University of Texas Medical Branch, Galveston, TX. During his long medical career on two continents he served as a member of the Colombian Medical Federation, American Medical Association, American Association of University Professors, Directors of Psychiatric Residency Training, an honorary member of Titus Harris Society, and a Fellow of the American Psychiatric Association. Tulio had numerous interests and hobbies including music, linguistics, politics, history, and discovering the best ethnic restaurants. His greatest pleasure came from his children and grandchildren. After retiring, he enrolled in a one year culinary course. The results provided much enjoyment, and many dish washings for all of the family. Tulio was an aficionado of classical music, and an accomplished violin player. He was a member of the Physician Orchestra in Manizales, Colombia, as well as member of the Symphony Orchestras in Pueblo Colorado and Galveston Texas. In more recent years he took up growing Dahlia's and was often awarded prizes for his entries in the Albuquerque State Fair. Tulio would most like to be remembered for having raised a loving and devoted family with his wife of 55 years, Carol, and being an influential professor and advisor to many Psychiatrists. His family will have fond memories of his infectious laughter, sincere devotion to family, deep affection for his grandchildren, superb cooking, and his love of culture. “ I am so sorry for the loss of Tulio the finest of fathers, husbands, mentors and friends. I have always remembered him as Captain Tulio, as my young son called him many years ago at the lake. I am grateful to have been a friend of Carol and Tulio during their Columbia years. Each of you have fine memories to sustain you through life.

“ Dear Estrada Family, I was saddened to learn of the death of your father. I remember fondly the hours I spent at your home with Nancy as a girl in Columbia, MO. Your parents were ever kind and gentle. I remember once we asked your dad whether he thought in Spanish or English. He said he did his thinking in Spanish--that was fascinating to me! I know you will miss him very much and my prayers are with you. God bless you all!
