“ I am profoundly saddened by the news of Dale's passing. He was such a great friend to my dad, and to me by association. Always kind and soft spoken, honest and good natured. I will always treasure the times I spent in his office with Dad, listening to them speak of their younger days after the business at hand was complete. I appreciated so much that he was there for my dad at the nursing facility to comfort and cheer him in his final days. What a blessing to have had this man as our friend. My sincere condolences to the family, friends and employees of this wonderful man. We will miss you, Dale.
