“ I was station with wayne at dyess afb,in the 774th flight sq., from1973 to 1976.Wayne was a great man,a friend and an outstanding person.His outlook on life,was his greatest gift to people around him.You could have a bad and Wayne would show up and your day would turn around just because of his great smile.My sympathy goes out to the family for the loss,but God was rewarded with a person that would help Him smile when everything was not going great.

“ *It was our privilege and honor to have known Wayne. He was an extremely super good friend of ours. Wayne was kind, loving, had a great sense of humor, and above all he was an honorable man. He loved life, family, friends and his country. He was helpful and generous. Boy, could he put away the beer. He almost kept up with us. We digress. We loved Wayne for all of these reasons and many more. Wayne was an awesome person that we looked up to. He made a big impact on the quality of our lives by being a part of our lives and of those we love. We will miss him dearly. Rest in peace, dear Wayne.*

I will always treasure the many wonderful memories we shared through the too few years I was blessed to have known you. I will always see you in the beams and walls of our beautiful home and remember the countless hours of laughter as the 4 of us built a dream together. You, Mom, Mike and me...what a team! Thank you Wayneo for all you have taught me. Thank you for the years you made my Mom so happy, and thank you for the honor of being your stepdaughter. You will always stay in my heart. I will miss you.

“ Such a great loss. He was the most fun guy ever! And could sleep anywhere-even up against a tree. His laughter was contagious (and loud) and could cheer up the grumpiest of grumps. We will remember the last time we were able to spend together at the Abilene State Park, Thanksgiving 2009. Even though he wasn't feeling his best, he hauled their camper over here and a good time was had by all! Love you Wayne & Family & our deepest sympathies
