“ *The occasion that I had to meet Mr. Evans was when his daughter, Alli, arranged for the casino de rueda group (of which she was a participant) to dance at her father's nursing home for him and the other occupants. I'm glad I got to meet him. He came across as a very kind person. Thank you, Alli, for giving us the opportunity to meet your father and entertain him and the others at his health care facility. You have given your father quality attention and connection and he was fortunate to have such a loving daughter. My sympathy goes out to you and your family. May your special memories comfort you at this time of mourning your loss. Love to all of you.*
