“ Aunt Ileene may you rest in peace, I will never forget how beautiful you are. I loved it when you came to Utah and had a suitcase (a large one bigger than the one for your clothes) just for your jewlery and you would show me your new finds. I remember one of the best times we had on memorial weekend when my dad brought a golf cart to the cemetary and I drove you around, we laughed so hard and what we talked about was just great it sure made uncle Glinn red but it was so worth it. And best of all I bet I was one of the few people who got to see you without your makeup and jewlery on when I cought you cleaning at your in laws house. Such special memories I will always cherrish. I love you aunt Ileene. Love Susan
