“ Dear Kenny and family, I was so saddened to hear of the loss of your mother. Then to realize that your father and brother had died recently too. My heart goes out to you. I'm sorry that your family has had to endure so much. I'm glad you all had faith in our Lord Jesus. I have always admired and respected your family. Your parents helped my mother so much in her younger days. You carried on that tradition by helping me. Please know that my thoughts and prayers will be with you and your family. All our love, Dennis and Shelley DuBois

“ Although it's been many years, I will never forget the generosity shown to me by Zora and the King family. I lived with Donny for several years after high school and had the pleasure of a great Thanksgiving dinner with the Kings. I will always hold onto the memories with the King family. Kenny I wish you and your family the best and I hope that you will continue the King tradition of a generous and close family. My prayers are with you.
